**PURE GUARD**

**Unique Water & Oil Repellent**

PURE GUARD is a revolutionized ready to use water and oil repellent formula designed to protect a variety of materials from fabric to metal to concrete. PURE GUARD prevents organic material from adhering to surfaces. It prevents water stains, effervescence, and contains no silicone. PURE GUARD specially combined formula is water based, low odor, and non-flammable. Apply PURE GUARD by painting onto the surface or spraying. Wait just a few hours to dry and will cure in 24 to 48 hours. Pure Guard will help prevent the adhesion of other contaminants.

**DIRECTIONS:**

Place in an appropriate spray container according to your specifications. Pure Guard does not need to be diluted.

For **carpet applications**: One gallon of Pure Guard will treat 400-600 square feet. For carpet: apply liberally but do not saturate area. For fabric: apply two coats, one vertical and another horizontal. Re-apply every six to eight months.

For **all other applications**: Apply two thin coats to cover the area but, do not saturate. Do not use on fabrics that are sensitive to water. Test a small area before application of product.

**TECHNICAL DATA:**

- Appearance and Odor: Light Tan Aqueous Dispersion
- Boiling Point: 212°F
- Specific Gravity: 1.04
- Flammability: None

SEE REVERSE SIDE FOR MSDS
1. Material Identification
   Product Name: Pure Guard
   Chemical Family: Aqueous dispersion of partially fluorinated products

2. Hazardous Ingredients
   Contains less than 3% alcyl ether: CAS # 34590-94-8.

3. Physical Data
   Density: 1.04
   pH: 3 to 5
   Water Solubility: Dispersible
   Boiling Point: 100 degrees Centigrade
   Appearance: Light tan aqueous dispersion
   Odor: Mild

4. Fire and Explosion Data
   Flash Point: Greater than 200 Fahrenheit by PMCC
   Extinguishing Media: water spray, foam, dry chemical or carbon dioxide
   Special Procedures: Evacuate personnel to a safe area, avoid breathing decomposition products, fire fighting personnel should wear respiratory protection.
   Unusual Hazards Emits toxic & corrosive fumes if burned.

5. Reactivity Data
   Chemical Stability: Stable
   Incompatibility: Avoid contact with strong oxidizers.
   Polymerization: Will not occur.
   Decomposition: Thermal decomposition may produce oxides of carbon and nitrogen, and toxic fluorinated decomposition products.

6. Health Information
   Toxicity: Not established
   Carcinogenicity: None of the components present in this material are listed by IARC, NTP, or OSHA.
   Exposure Limits: Not established
   Safety Precautions: Avoid contact with eyes, skin, and clothing. Do not aerosolize. Wash thoroughly after handling, especially before eating, drinking, or smoking.

7. Employee Protection
   Engineering Controls: Use adequate ventilation.
   Vent fumes outside work area.
   Use NIOSH approved respirator if airborne concentrations pose a health hazard. Emergency showers and eye washes should be available in work area.

   Eye Protection: Wear safety glasses or goggles.
   Skin Protection: Wear impervious gloves and clothing suitable to prevent skin contact.
   Other: Do not consume food, drink, or tobacco in areas where they may become contaminated by this material. Always wash hands thoroughly with soap and water before eating, drinking, and smoking.

8. First Aid
   Inhalation: Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult or respiratory tract is irritated, consult physician.
   Skin Contact: Remove contaminated clothing. Flush skin with mild soap and water.
   Eye Contact: Flush eyes with plenty of water for at least 15 minutes and consult a physician.
   Ingestion: Consult a physician.

9. Disposal Information
   Spill, Leak, or Release: Contain spill and salvage as much material as possible. Pick up remaining product with absorbent.
   Waste disposal: Dispose of product only by methods approved by federal, state, and local regulations.

10. Storage
    Store in a cool well ventilated area.
    Keep container tightly closed. Do not freeze.

11. Transportation
    DOT Proper Shipping Name: Not Regulated
    DOT/IMO Proper Shipping Name: Not Regulated
